# MINING AND MINERAL PROCESSING EQUIPMENT

---

1. Boilers
2. Compressors
3. Conveyors, Bucket Elevators & Conveying Systems
4. Crushers
5. Diesel Generators
6. Drying & Sintering Equipment
7. Electrical MCC circuits LT and HT
8. Feeders, Bins and Material Storage Systems
9. Filtering Equipment
10. Flotation Equipment (Tank & Column)
11. Gearboxes and Speed Reduction systems
12. Gravity Recovery Equipment
13. Earthmoving & Low Profile Mining Machines
14. Grinding Mills / Comminution systems
15. Laboratory Process Equipment
16. Magnetic Separation Equipment
17. Mineral Processing Plants
18. Process Equipment
19. Pumps & Spares
20. Rolling Stock, Locomotives, hoppers & support equipment
21. Sand Washing & Processing Equipment
22. Screens and screening plants
23. Tanks, Agitators, leaching systems
24. Thickeners and Water Recovery Systems
25. Transformers, Substations
26. Winches
27. Winders

# TURNKEY MINING AND MINERAL PROCESSING PLANTS

## Turnkey & Process plant solutions offered by Manhattan, include :-

1. Diamond Plants, Pans, Jigs, DMS, XRay, XRT, Front End Scrubbing, In-Pit mobile Screening, Static Screening, Power generation, Turnkey Project Establishment
2. Gold Plants, Cyanidation, Flotation, Crushing, Milling , Leaching, Elution, Gold Refining
3. Gold Plants, Free-gold recovery, Crushing, Scrubbing, Centrifuge, Trommel, Sluice, Gold Room
4. Coal Plants, Overland Conveyor with Mineral Sizing, Breakers, Granulating, Crushing, Drum, DMS, Jig, Spiral Upgrading/ washing
5. Conveying Systems, overland, static, stockpile, mobile, customized
6. Crushing Plants with Cone, Gyratory, Jaw, Impact, Roll, multistage & Single roll, hammer crushers
7. Flotation, gravity, magnetic separation, smelting
8. Leaching plants, Thickener plants, agitated tank plants
9. Mineral Processing Plants- Enquiry for your need
10. Process Equipment- 26 mineral types supported by Manhattan
11. Sand Wash & Classification Plants
12. Screening plants
13. Turnkey mine establishment
